"As God was expunged from American life, idols came in to fill the void; idols of sensuality, idols of greed, of money, of success, comfort, materialism, pleasure, sexual immorality, self-worship, self-obsession. The sacred increasingly disappeared, and the profane took its place."

WHY SOME PEOPLE ARE NOT DELIVERED
(taken from Peter Horrobin's *Healing Through Deliverance*-Chapter 8)

1. The person seeking deliverance does not know Jesus.
2. There is unforgiveness or bitterness towards some person that is blocking the deliverance.
3. There is a lack of faith that Jesus is able and willing to heal.
4. There is unresolved pain or guilt.
5. The person seeking deliverance believes or is from a church that preaches that Christians cannot have demons.
6. The ministers are praying for the wrong thing.
7. There is unconfessed sin which the counselee is trying to keep hidden.
8. Ungodly soul-ties are still in place.
9. The counselee is either under or using ungodly domination or control.
10. Occultic powers have not been broken in the counselee.

11. There is little anointing for deliverance in the place of ministry.
12. There is hidden abuse or emotional damage that still need healing.
13. Curses of sickness or death are still in place.
14. Generational sin has not been dealt with.
15. Deeper healing is needed for inner brokenness through some trauma.
16. The counselee is living in denial of the real problem.
17. The counselee has made inner vows which need to be renounced.
18. The counselee is in disobedience over something God has told them to do.
19. The counselee does not really want deliverance.
20. The counselee is not under Godly authority.
21. Legalism
22. Blocked memories that need to be released
23. Ministry team members are not in right relationship with each other.
24. God's timing.
25. The person is suffering from a sickness that is unto death and needs to be prepared to meet the Lord (John 11:4).

I would add one more. Sometimes the problem is not demonic. For example, the counselee may need healing rather than deliverance or it might be a problem in the flesh nature.
